Harry close to coming back as COVID doc

HARRY Hill nearly returned to his pre-comedy career as a doctor during the early days of the pandemic.

The presenter and comic, real name Matthew Hall, trained as a neurosurgeon and worked at Doncaster Royal Infirmary before quitting for TV.

Harry (*above*), 55, told Radio Times he was asked if he'd return to aid the NHS effort against coronavirus.

He said: "In the early days of the pandemic, it was all melting down radiators to make ventilators, the country pulling together, etc.

"I'd had a few drinks so I filled out the form and got an email back saying someone would contact me about my return to work."

He was asked if he could start as soon as possible at the NHS Nightingale Hospital in east London but said he would have had travelling difficulties from south London.

Driver's 600k dodgy ciggies

A DRIVER has been charged after an estimated 600,000 illicit cigarettes were seized from a van on a motorway by customs officials.

The vehicle was stopped by Police Scotland officers as it drove south on the M74 in Lanarkshire at about 11am on Friday.

Officers discovered the haul and alerted HM Revenue and Customs, who said a 32-year-old man from Coventry was arrested and interviewed before being charged with excise duty fraud.

Eco-nuts strip nude to save planet, or something...

THE NAKED TRUTH
THIS IS SCARY

EXTINCTION Rebellion activists held a nude protest yesterday to expose the "naked truth" about climate change outside King's College at Cambridge University.

The 16 protesters stripped off on King's Lawn to protest the institution's £400million investment in the fossil fuel industry.

This is not the first time the activists have taken to campaigning in Cambridge, with a group of eco-warriors ripping up the lawn outside Trinity College in February this year.

In the naked protest, the XR group socially distanced and wore face masks as they took their clothes off to reveal messages written on their bodies, including: "Stop funding death" and "We want to live".

One of the naked protestors, Jess, said she is more scared about what is happening to the earth than she is taking her clothes off in public.

She wailed: "Entire ecosystems are breaking down, glaciers are melting!"

Williamson clings to office after exam U-turn fiasco

APOLOGY: Education Secretary

By COLIN HURST
news@sundaysport.co.uk

EDUCATION Secretary Gavin Williamson is clinging to his job despite calls to resign over his handling of A-level and GCSE grades in England.

And he has apologised to thousands of students for the distress caused.

PRESSURE: Boris Johnson

On Monday, the Government announced a U-turn when it said students would be able to receive grades based on their teachers' estimates following anger over the downgrading of thousands of A-level results.

But Mr Williamson has repeatedly refused to say whether he would consider resigning from his position. Pressure is growing on Boris Johnson to sack the bungling minister.

The minister said there had been "broad political consensus" across all parties that a standardisation model was needed for teachers' assessments of grades after exams were cancelled by COVID-19.

And Mr Williamson insisted that England's exams regulator, Ofqual, "didn't deliver" the grading system that the Government had been "reassured" would be in place.

Universities called for urgent support from the government to ensure A-level students do not miss out on their first-choice places.

Sorry

Students who now have higher grades could still be asked to defer their place if there is no space left on their preferred course.

In a radio interview yesterday, the Education Secretary said: "I'd like to just start off by apologising, saying sorry to all those young people who have been affected by this.

"This is something that, firstly, none of us wanted to see and none of us expected to see."

Robert Halfon, Tory MP and chairman of the Education Select Committee, called the situation a "mega-mess".

Asked whether she thinks Mr Williamson should resign, Shadow universities minister Emma Hardy said: "Well, I know if I was in charge of the government he certainly wouldn't be in my team, but that's a matter for Boris Johnson."

Council can't take any more migrant kids

A COUNCIL says it cannot safely care for any more child migrants amid a rise in the number arriving alone.

Kent County Council said it doesn't have the capacity for additional unaccompanied asylum-seeking children.

More than 400 children, most of whom arriving in Dover across the English Channel by small boat, have entered the authority's care so far this year.

Responsibility lies across England, the council says, while the government says the authority has had extra support.

County council leader Roger Gough said he warned the Home Office his authority "expected to reach safe capacity to meet its statutory duty of care this weekend".

The arrival of 13 more children in the past two days had "tipped the balance and the council simply can't safely accommodate any more new arrivals."

RAPPER'S CONVICTION OVERTURNED

RAPPER Ceon Broughton's conviction for the manslaughter of his girlfriend Louella Fletcher-Michie, who died after taking hallucinogenic drug 2C-P at Bestival, has been overturned by the Court of Appeal.

Miss Fletcher-Michie, daughter of *Holby City* and *Coronation Street* actor John Michie, died after taking the Class A drug during the music festival at Lulworth Castle, Dorset, in 2017.

She was found dead in the early hours of September 11, the day she should have celebrated her 25th birthday, in a wooded area at the edge of the festival site.

Broughton (*left*), 31, of Enfield, north London, was found guilty of manslaughter by gross negligence and handed an eight-and-a-half-year sentence in March 2019 Winchester Crown Court.

But his conviction was yesterday overturned by three top judges, including the Lord Chief Justice Lord Burnett who said the expert evidence on the likelihood of Miss Fletcher-Michie's chances of survival had she had treatment sooner was "not capable of establishing causation to the criminal standard".

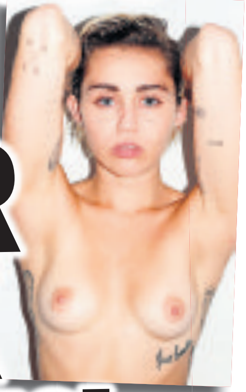
MILEY HANGS UP HER SEX TOYS!



BORED OF BONKING: Boobs out Miley has split from Cody *(below)*

Singer bored of bonks uses dildos as wall art

MILEY Cyrus is hanging up her collection of sex toys – literally.

The pop beauty – who recently split from Aussie singer Cody Simpson – said she liked the way her naughty toys "look on the wall".

Miley, 27, admitted: "Most of my sex toys I use as interior design."

The *Wrecking Ball* singer, who is divorced from actor Liam Hemsworth, even confessed she is now BORED of sex.

By GRACE HOOPER
news@sundaysport.co.uk

Speaking about a recent bodily encounter between the sheets, she said: "It wasn't as much fun as I thought it was going to be.

Pressure

"It honestly just took too long."

She added: "I don't really think about marriage and things like this any more.

"I follow a lot of feminists online and it's like – how many men do you ask if they are going to get married or have kids?

"I don't think many men feel the pressure to have kids and get married."

Miley has given a string of interviews opening up about her terrible 2019 – which saw her divorce from Hemsworth and the burning down of her Malibu home in a wildfire.

She said: "I had to deal with the loss of my home, I had to deal with the loss of a love in my life."

BOG-HEAVY ROBBIE PLANS POO PARTY!

Asked how many bogs he's got, the *Angels* singer responded:

"Twenty-seven. Yeah, 27 actual toilets. One day I'm going to have a poo party where people come round and we just flush them all, like synchronise it and see what happens."

GCHQ c**t needs kick up Uranus

SPOOKS at the UK's top intelligence agency have apologised after social media users spied it using the word C**T in an online quiz.

GCHQ is famed for its code-breaking prowess, playing a key role in uncovering Nazi messages during the Second World War.

However, the security body appeared to have suffered a brief lapse in concentration when it included a swear word in the answer to one of its regular Twitter puzzles yesterday.

The unfortunate post underlined the fourth letter in the names of the planets Mercury, Venus, Uranus and Neptune.

A GCHQ spokesman: "We apologise for any offence inadvertently caused by this morning's post. We deleted it as soon as we became aware of the issue."

The tweet was pulled after being online for less than 20 minutes.

Twitter users were quick to mock the error. One said: "GCHQ have deleted their ... see you next Tuesday tweet".

Another added: "I hear the bureaucrats secretly giggling."

Officers were joined by Durham and Darlington Fire and Rescue Service, the North East Ambulance Service, Teesdale and Weardale Search and Mountain Rescue Team and underwater search teams.

But in a statement yesterday, police said: "We are sorry to report a body has been found in the River Tees at Broken Scar, Darlington.

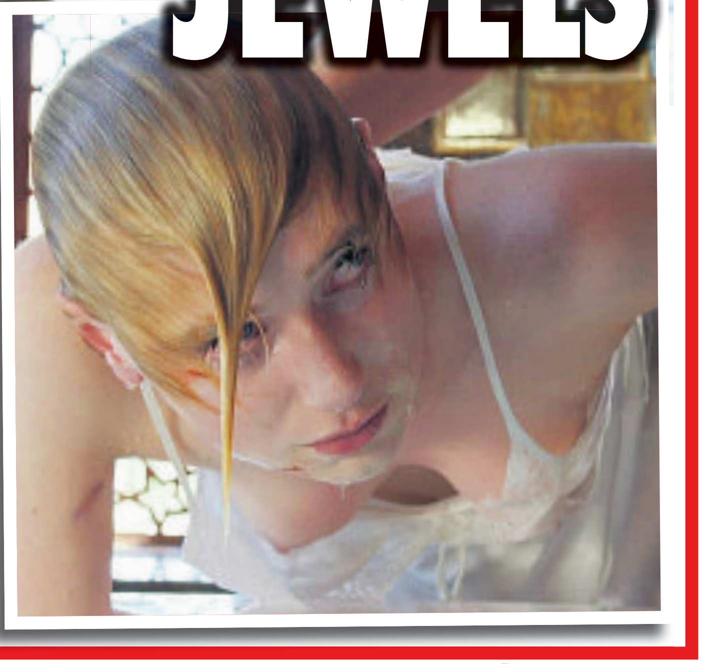
WET SHOOT: Debicki in *The Night Manager*



By JAYNE FERGUSON
news@sundaysport.co.uk

AUSSIE actress Elizabeth Debicki is to play Princess Diana in the final two seasons of *The Crown*.

The blonde beauty will take over the role from the fourth season's Emma Corrin.

Elizabeth, 29, joins Jonathan Pryce (Prince Philip) and Imelda Staunton (the Queen) for the final two seasons of the royal drama, which is expected to cover the 1990s and early 2000s.

But unlike the People's Princess *(right)*, Elizabeth has got her pert BOOBS out on film.

Topless

She famously peeled off for *The Night Manager* and also filmed a topless girl-on-girl lesbian love scene in 2018 flick *Vita & Virginia*.

Needless to say, Elizabeth WON'T be stripping off in the acclaimed Royal saga!

The fourth season of *The Crown* is expected to be released this autumn.

"Princess Diana's spirit, her words and her actions live in the hearts of so many," Elizabeth said.

"It is my true privilege and honour to be joining this masterful series, which has had me absolutely hooked from episode one."

The actress is also known for her roles in films including *The Great Gatsby* and *Guardians of the Galaxy Vol 2*.

The final two series of *The Crown* will include the break-up of Diana and Prince Charles' marriage and her death in 1997, which plunged the Royal Family into crisis.

They may also go on to cover the deaths of Princess Margaret and the Queen Mother, seven weeks apart in 2002, and the Queen's Golden Jubilee that summer.

SOME FRIEND YOU ARE!

One-in-six cheats are ratted out by pals

ONE in six love cheats have had their affair exposed by a friend, according to a new survey.

It found that 16 per cent of people playing away are caught out because they confide in pals about their affair and the news gets back to their regular partner.

A third of cheats (37%) get a friend to cover for them so they can see their lover.

The most common cheating alibi is playing or watching sport – chosen by 37% of men who use football as a cover and 26% of women who pretend they are at the gym while seeing their lover.

The vast majority of people having affairs (87%)confide in at least one friend about their new relationship.

Three-quarters of love cheats (74%) worry about being caught out and are careful to cover their tracks.

A third of cheats (32%) have been followed by their suspicious partners while conducting an affair.

And a quarter of adulterers (24%) have been caught red-handed by their partners while dating a new lover.

The results are revealed in a new survey of 2,000 people by IllicitEncounters.com, the UK's leading affairs dating site.

Exposed

It found that only one in five relationships end immediately on an affair being exposed.

The split happens more commonly when the cheat resumes the affair after previously promising to break it off.

Most adulterers (57%) have at least three affairs before splitting with their partners.

Jessica Leoni, sex and relationship expert with IllicitEncounters.com, said: "If you are having an affair, be extremely wary of who you tell.

"You will swear your best friend to secrecy, knowing full well that they will not tell your partner and even cover for you when you are out on a secret date.

"The danger is not in the friend shopping a cheat directly to their partner, but in them confiding in other members of the friendship group.

"Gradually the news spreads through gossip or Chinese Whispers amongst a much larger group and eventually the cheat's partner is tipped off about the affair.

"Most cheats can salvage their main relationship after being caught, but the chances are they will soon be cheating again – either by resuming the affair on the quiet or by starting a new affair."

IllicitEncounters.com has been booming during lockdown, with a 23% rise in subscriptions over the last six months.

Slightly more women (54%) than men (46%) have joined up.

BLM gun couple shoot for under fire President

THE couple who wielded firearms while Black Lives Matter protesters gathered outside their mansion will make a guest appearance at the Republican National Convention next week.

Personal injury attorneys Mark and Patricia McCloskey are expected to express support for President Trump during the virtual weeklong event.

The couple *(above)* shot to nationwide attention in June when they were filmed pointing a handgun and an AK-47 at civil rights demonstrators moving through their swanky neighbourhood in St Louis, Missouri.

The McCloskeys said they feared the crowd was going to kill them and burn their home.

They were charged with unlawful use of a weapon – but Trump accused the prosecutor of "an extreme abuse of power".

Missouri's attorney general is moving to dismiss the charges, calling them "a chilling effect on Missourians exercising the right to self-defence".

Sting nabs ex-CIA man 'selling state secrets to China'

A FORMER CIA spook has been charged with spying on the US and selling state secrets to China.

Alexander Yuk Ching Ma, 67, was arrested after a sting operation in which he allegedly accepted cash from an undercover FBI agent and said he wanted the "motherland" to succeed, prosecutors said.

Ma, a naturalized US citizen born in Hong Kong, had Top Secret clearance while working for the CIA from 1982 to 1989.

After his retirement, he lived and worked in Shanghai before settling in Hawaii in 2001.

Over the course of a decade, Ma and an unnamed relative, who also worked for the agency, conspired "to communicate classified national defence information" to China, the DOJ alleges.

Trump orders a new task force to tackle hostile UFOs

ALIEN PLAN: Trump

THE Yanks have formed a special task force to investigate sightings of UFOs by military aircraft... and to prepare for an ALIEN INVASION!

The Unidentified Aerial Phenomena Task Force – formed on the orders of President Trump – will monitor ongoing encounters with strange aerial objects and determine whether they should be perceived as a threat.

By SIMON DEAN
simon@sundaysport.co.uk

Deputy Secretary of Defense David Norquist will oversee the task force, which will be part of the US Navy.

The task force was launched "to improve its understanding of, and gain insight into, the nature and origins of UAPs (Unidentified Aerial Phenomena).

"The mission of the task force is to detect, analyze and catalog UAPs that could potentially pose a threat to U.S. national security."

Classified

It comes after the US Navy released footage of UFOs filmed by America warplanes.

President Trump called the footage "a hell of a video".

The formation of the new task force, loosely modelled on the fictional alien-busting outfit on TV's Marvel's *Agents of SHIELD*, was welcomed by Brit UFO expert Nick Pope.

Pope, a former UFO investigator for the Ministry of Defence, said: "I support this initiative, which rightly frames the issue in terms of security.

"While there will be debate about exactly what this entails – mention of unauthorised aircraft making incursions into training ranges sounds relatively mundane – UAP is the official term for what the media and the public refer to as UFOs, so there's no doubt in my mind about the true nature of the mission."

The Pentagon had previously studied recordings of aerial encounters with unknown objects as part of a since-shuttered classified programme that was launched at the behest of former Senator Harry Reid of Nevada.

That programme was launched in 2007 and ended in 2012, according to the Pentagon, because they assessed that higher priorities needed funding.

Earlier this year, the chairman of the Senate Intelligence Committee said he would PREFER attack from outer space to the USA falling behind Russia and China in the arms race.

Sen Marco Rubio said: "If it's something from outside this planet, that might actually be better than the fact that we've seen some sort of technological leap on behalf of the Chinese or the Russians or some other adversary."

One Washington veteran said: "The President may well have finally lost it."

Well, if he's owt to go by, there's no intelligent life here...

A GANG of 30 yobs hurled missiles at firefighters who had been called to put out a bin fire.

Police officers were also targeted during the fracas.

Coronavirus kills off 7,000 jobs at M&S

AROUND 7,000 jobs are being axed at retail giant Marks & Spencer as part of a further shake-up of stores and management in the face of the coronavirus crisis.

The roles are set to go over the next three months across shops, regional management and its support centre.

M&S expects a "significant" number of roles will be cut through voluntary departures and early retirement.

But it said it will also create some jobs through investing further in online warehousing and its new ambient food warehouse.

It comes as M&S revealed total sales in its hard-hit clothing and home arm plunged 29.9% in the eight weeks since shops reopened, with store sales tumbling 47.9% and online surging 39.2%.

Speaking to *Hello!* mag, Olivia said: "I met this girl while I was out with friends and she invited me for a drink.

"Everyone is so quick to say no, so I thought I'd just see.

"I decided it wasn't for me and that I'm not that way inclined."

The *MIC* pin-up did reveal that she has big plans for when she finally does meet the right man – and wants a huge family.

She said: "There's no one in my life and I'm so content. I'm better when I'm single, as I feel more emotionally in control.

"I definitely want marriage and children one day. I'd like loads of kids – five of them, like in my family."

But she added: "Trying to find a husband who wants that too will probably be a nightmare!"

Woman naked in busy street

A WOMAN was showing off all her bits as she walked down a busy street.

"She was completely naked," said the witness.

"I was driving at the time and I had to drive around her as she was going to walk into my car in the road."

Cheshire Constabulary confirmed they were called to the incident at around 8.30am on Sunday.

A Cheshire police spokesperson said: "We were following reports of the concern for the safety of a woman in High Street.

"On arrival, officers spoke with the woman, who was then taken to her home address."

Hiking flasher was 'trying to get a tan'

A PERVERT who flashed his tackle at a female hiker on a popular walking trail said he was just "trying to get a tan".

Cops raced to the Constellation Trailhead car park in Prescott , Arizona, after a report of a man exposing himself to a woman.

The 24-year-old victim told deputies she was hiking back to her car when a man walked out from the bushes onto the trail with no clothes on.

The woman said the suspect was naked except for socks, shoes and a backpack he was wearing.

The suspect told the woman he was "sorry".

But as she walked away, he then said she was "sexy".

Dustin Luckenbill, 27, from Prescott, admitted exposing himself to the hiker, telling cops that "he likes to walk around naked for tanning".

He was booked with indecent exposure.

STRIP STROP: Bond star Dalton

By SIMON DEAN

news@sundaysport.co.uk

ONE-TIME 007 Timothy Dalton is no fan of nudity in mainstream movies.

As we reported last week, the former James Bond star has seen some of his female co-stars get "upset" when asked to disrobe for a scene.

And he thinks audiences should just go and watch porn if they're looking to see sex on screen as it can detract from "serious" work.

He said: "I know the girls don't like it, when they're asked to take their clothes off or do nude shots. They do it, but they don't like it.

"They're always upset. Well... that's a generalisation. But many times, I have seen women upset.

"I will also say I didn't like it either. Most of the time it's not necessary.

"There's plenty of porn online. I think if people want to see naked bodies they can go online and find it.

"Those of us trying to make good, serious work ... why do we need to offer people gratuitous sex? It's not necessary.

"It's silly to put people in situations where they are embarrassed or where they're worried about what their kids or husbands are going to think about them."

Thankfully, not all Tim's co-stars think the same way as the 74-year-old.

Couple dodge jail over sex acts with dog

A COUPLE who filmed sexual encounters with their pet dog have dodged jail.

Kevin and Rebecca Thredgold escaped with suspended sentences when they appeared in court for their vile crimes.

Police found 16 videos of the couple performing sex acts on their dog on three separate occasions under a file on their computer titled: 'Do not view – delete if we die'.

Rebecca Thredgold yelled 'you're ruining my life' at newsmen on her exit from court, while Kevin Thredgold swore at reporters.

The couple copped a four-month prison sentence for their bestiality charges, suspended for two years.

They must also complete 300 hours of community service within 18 months.

At South Australian District Court in Adelaide, Australia, judge Simon Stretton labelled their actions with their pet "gross and inappropriate conduct".

Bulletproof vest sales shooting up

NEW Yorkers are sending sales of BULLETPROOF VESTS through the roof as the Big Apple descends into anarchy.

He said most buyers are from the Bronx and Brooklyn, where shootings have skyrocketed.

Pedell said customers tell him they need more protection because their "neighbourhood is getting dangerous".

***MAD Men* star January Jones is the latest beauty to fall foul of "under the line" commentators on the downmarket Daily Mail website.**

The buxom star, 42, came in for the usual smut after posting a few sexy snaps on social media.

Jan looked beautiful as she showed off her curves in an electric crimson string bikini.

She smiled at the camera with lifted arms and a dipped hip, wearing shades that had a modern and metallic cat-eye effect.

Thirsty

"It's 103 degrees, literally thirsty," Jones captioned, adding a sun emoji.

And then the comments rolled in.

Scoundrel HappyBi2000, from London, slavered: "Would tap every hole" – a clear suggestion that the writer would like to out his penis in January's vagina AND her anus.

Jimmy_twotimes, from "Gotham", USA, said: "I'm thirsty for her v a g..."

Mike Hok, from "Igloo", Antarctica, reasoned: "She badly needs some."

While Gus la Combre, in Minneapolis, said: "She wonders why she gets humped and dumped regularly."

DEATH-SHAG MOUSE WIPED OUT BY FIRES

A LUSTY marsupial that shags itself to death may have been wiped out by bushfires that ravaged Australia, scientists have said.

Searches in the lush rainforests of Queensland have failed to find any of the mouse-like black-tailed dusky antechinus.

The males have sex with as many females as they can during the annual mating season, with sessions lasting up to 14 hours, with deadly consequences.

The marathon sex sessions flood the male's body with testosterone and stress hormones, eventually leading to internal bleeding and immune system failure.

Winter field trips by scientists would usually find at least 20 of the mouse-like creatures, according to top expert Andrew Baker, but none has been seen since the fires.

"The populations were pretty heavily impacted even before the fires started, because of drought," he said.

Bug stripper 'infects 550'

A STRIPPER infected with COVID-19 may have exposed more than 500 people to the illness, say health officials.

The woman tested positive for coronavirus just days after her club was allowed to reopen with social distancing measures.

She worked four shifts last week at the Brass Rail Tavern in Toronto, Canada, potentially infecting as many as 550 people, who have been asked to self-isolate for 14 days from their visit.

HOOKER 'KILLED PUNTER IN KINKY SEX ACT'

A MARRIED businessman whose body was found in a hotel room died when a kinky sex act with a prostitute went horribly wrong, cops claim.

Madeleine Lewin, 32, allegedly killed Anthony Brady, 52, at the Sunshine Tower Hotel in Cairns, Queensland.

Brady had been in Cairns on a business trip but had failed to return to his family in Brisbane.

Hotel staff and police discovered his body about 4pm on Friday, and Lewin was arrested on Sunday.

Police allege Brady's death was the result of a sexual encounter with Lewin that went wrong and that Lewin owed Mr Brady a "duty of care".

Instead, she fled the room, leaving Brady's corpse.

Papers from Cairns Magistrates Court state police believe Brady died "on or about" last Thursday following his meeting with the sex worker the night before.

CCTV footage from a petrol station shows him buying items before returning to his hotel, but what then happened remains unclear.

Police combed through drains and shrubs close to where he was last sighted. Lewin was arrested in a suburb of Cairns, and appeared before JPs on Monday facing a charge of manslaughter.

She was on parole at the time of the arrest and had previously been named only as a person of interest, with police releasing images of her as part of a public information campaign.

Lewin had gone missing from the NSW central coast less than a year before her dramatic arrest in north Queensland. ßhe has previous.

Nut nicked in wrestling star Sonya's home

A MAN with a "disturbing obsession" for WWE star Sonya Deville has been arrested after breaking into her home.

After more than eight months of planning, Phillip Thomas, 24, allegedly travelled from South Carolina to Deville's home in Lutz, Florida, with the intention of taking the professional wrestler hostage, police said.

Deville and a guest were tipped off to Thomas' entrance when her security alarm went off he broke in through a back sliding door. They fled the home and called cops.

Thomas was still at the house when cops arrived. He was found with a knife, plastic zip ties, duct tape and pepper spray.

In a statement, cops said: "We are unveiling the suspect's disturbing obsession with this homeowner whom he had never met, but stalked on social media for years."

Thomas has been charged with stalking, armed burglary and attempted kidnapping.

Gun fad dick blows hole in his ballbag!

A MEMBER of a Facebook group dedicated to men who post photos of loaded guns pointing at their privates accidentally shot himself in his SCROTUM.

The unnamed member of "Loaded Guns Pointed at [B]enis" posted a video of him pointing his .45 pistol at his genitalia.

After a brief pause, the gun went off.

"Hey [b]ois, I might have fked up," the man wrote above a photo of a towel stuffed between his legs and blood splattered on the floor.**

As he bled, the man wrote: "God's calibre [.45] went through my scrotum, mattress, boxspring, and floor."

He thought at first that the round had just grazed his testicles, but he found out at hospital in San Diego, California, the two grazes were entry and exit wounds.

BATTERED, SHOT...

WELL OFF: But Roberts wanted to cash in on Fingerhut's life insurance

ON the face of it, Donna Roberts and Robert Fingerhut were the perfect couple.

But scheming money-grabber Roberts always wanted more – and she committed murder most horrid to get her mitts on her husband's £500,000 life insurance pay-out...

MONSTERS OF DEATH ROW

THE WORLD'S MOST EVIL MURDERERS AND THE HORRIFIC CRIMES THAT SAW THEM SENTENCED TO EXECUTION...

By BRAD CHADWICK

news@sundaysport.co.uk

WHEN Donna Roberts was found guilty of husband Robert Fingerhut's slaying in 2003, the wickedness of her actions finally seemed to dawn on her.

She turned to the jury and openly told them to give her a death sentence, shrugging: "It's the right thing to do."

And having listened to the harrowing details of Roberts' sick plan, those jury members were well within their rights to agree.

Roberts had embarked on a steamy 14-month affair with criminal Nate Jackson before the pair conspired to have Fingerhut brutally killed so they could cash in on his £500,000 life insurance policy by making it look as though he had been the victim of a carjacking.

This mild-mannered, generous bus depot owner was battered and tortured inside his garage, before being dragged inside his house and shot at point-blank range in the back, chest and head.

And, in a final and heinous act of indignity before he breathed his last, Fingerhut was forced to watch as Roberts performed oral sex on Jackson as the woman he'd been with for 20 years committed the ultimate act of betrayal.

MY TURN TO DIE: Roberts told jury to give her death sentence

Throughout her trial, Roberts claimed mitigating factors – she'd had a tough upbringing, she'd been in a bad car accident and suffered injuries that affected her judgement, she'd had suicidal thoughts.

But the judge saw through her excuses and lies.

Roberts' son, Michael Fingerhut, is in no doubt about the true character of his stepmother.

During the trial, Roberts had callously turned to Michael, pointed at the banks of TV cameras and exclaimed: "They're all here for me, Michael!" as if relishing her new-found fame.

Speaking in 2014, Michael said: "In the 40 years I've known Donna, she never claimed a head injury.

"My father was a good man. He gave prisoners a job. He gave prisoners a bus ticket so they could visit their families.

Evil

"He didn't look down on people. He was probably the least prejudiced person on the earth.

"My father is more than just a dead body. He was a person that people cared about.

"She, on the other hand, was pure evil.

"When my father was killed, we didn't even know about it until after he'd been buried.

"When the detective told me 'Your dad's dead', my first thought was 'Donna'."

Roberts, now 75 and incarcerated on Death Row, had grown up on a farm in rural Youngstown, Ohio.

As one of five children, she claims she "never got any attention or affection", saying: "I always felt empty."

While her statements have been proved to be untrustworthy, Roberts says she saw her father both physically and verbally abuse her mother, and suggests she was raped by her cousin as a young girl.

In 1966 she married William Raymond and moved to Miami, Florida, where she had a son.

The marriage ended in divorce in 1971.

A year later, Roberts wed Burton Gelfand, but that relationship fell apart in 1980.

By 1983, Roberts had married Robert Fingerhut and moved back to her home town in Ohio.

Roberts and Fingerhut officially divorced in 1985 – but friends and family say it was purely for financial reasons.

Fingerhut wanted to protect their assets in case his business was sued or collapsed. So for many years after their 'split', Roberts and Fingerhut were, to all intents and purposes, happily married.

He regularly refered to Roberts as his "wife" and doted on her like any good husband would.

The pair were well off, too, earning around £150,000 a year between them, with Roberts also running a local diner.

But there was trouble brewing.

At some point in 2001, Roberts, then 58, met and began a sexual relationship with petty crook Nate Jackson, 44, behind Fingerhut's back.

She was besotted, despite the fact Jackson was several years her junior.

Witnesses in the small town told how they'd seen the pair kissing in public and even booked themselves into a motel suite for illicit romps.

Fingerhut must have sensed his wife was slipping away from him, so he sought to restrict her movements by giving her less access to his money.

Pal Frank Reynolds told how he'd overheard Roberts ask Fingerhut for $3,000. When he refused, Reynolds said Roberts was "shaking with rage" and giving him "the dirtiest look".

Despite toyboy lover Jackson being sent to prison in 2001 for a string of burglaries, the vile lovebirds began hatching a terrible plan in a string of letters and phone calls.

One letter from Jackson to Roberts, dated October 2001, read, 'Donna, I got it already planned out on how we are gonna take care of the Robert situation – and baby, it's the best plan ever!

Angry

'Because, Donna, it's now time that we really be together so that we can really see the true side of our love.

'I'm tired of not being able to be with you.'

Roberts, angry at not being able to use Fingerhut as a cash cow, had written back, 'You know you can always count on me – you always could.

'It'll just be a little tougher now because he only gives me $100 a week for everything and he makes me write checks to keep track of it all.

'I haven't even been allowed to use any of my 52 charge cards. He says

IN FRIDAY'S

MAN WITH A PLAN: Jackson plotted with lover Roberts to kill her husband

they're for emergency only.

'I'm not used to living like this. I'm used to having plenty of cash for whatever I want and buying everything I want.

'Maybe those days will return again soon.

'Do whatever you want to him ASAP. Amen.'

Jackson and Roberts grew ever more brazen, dreaming of how they'd spend Fingerhut's life insurance money.

Jackson scribbled, 'I told you I'm tired of living like this when I don't have to.

'After we're done, will you get me a 2002 Cadillac Deville? Even if I gotta come to the house and shoot Robert in his f***ing head, you're gonna be with me.'

Roberts, meanwhile, secured the murder kit. She replied, 'I went to four stores and finally found your ski mask, boxers and a pair of beautiful fleece-lined black leather gloves'.

Authorities at Lorain Correctional Institute, where Jackson was being detained, recorded telephone calls between the couple.

Court records show, 'In recorded phone conversations between Jackson and Roberts during November 2001, they continued to discuss what Jackson planned to do to Fingerhut'.

In one conversation on November 8, 2001, Jackson told Roberts that he wanted Fingerhut to see Roberts performing oral sex on Jackson before Fingerhut 'goes away'.

And on December 11, 2001, just two days after Jackson was released from prison, Fingerhut was mercilessly executed.

Ripped

The first cops knew of it was when Roberts called 911, saying 'There's something wrong with my husband'.

That was something of an understatement.

Trumbull County forensic pathologist Dr Humphrey Germaniuk told how Fingerhut had sustained 'lacerations and abrasions to his left hand and head, as well as multiple gunshot wounds to his head, chest and back'.

The damage caused by the bullets from a powerful .357 Magnum handgun had literally ripped Fingerhut's face to shreds, leaving him in a pool of his own blood.

Police officers quickly spotted that his wife was acting rather erratically, with one detective noting, 'I didn't see any tears coming from Roberts' eyes when she appeared to be crying'.

Police then learned that Jackson and Roberts had been spending time together at a Days Inn hotel in the days following the murder.

They combed that hotel room for forensic evidence – and hit the jackpot.

Investigators found used bandages and traces of Fingerhut's and Jackson's blood.

By 2001, both Jackson and Roberts had been indicted on two counts of aggravated murder.

In 2002, Jackson was found guilty. A jury recommended the death sentence.

Roberts continued to plead her innocence through her subsequent trial the following year, saying she had never meant to instruct Jackson to kill Fingerhut, that she'd only been acting out 'fantasies'.

She said: "I never intended for that to happen. I still can't believe it."

But her unpersuasive behaviour in court helped seal her fate.

She moaned about the 'young, inexperienced' jury, while whingeing, 'I had everything. Now I have nothing.

'But the most important thing I don't have is Robert. Oh, and my two little girls...'

She then showed the jury photographs of her two dogs.

On June 21, 2003, Roberts was finally handed a death sentence of her own.

FARMER IN DRAG SMEARED BLOOD ON NEIGHBOUR'S GRAVESTONE

NICKED: Joseph Stroud

Nut left dead animals atop late rival's tomb

A FARMER has been arrested for allegedly desecrating the grave of his former neighbour with the blood of dead animals he repeatedly left on the headstone.

Joseph Stroud, 78, is accused of dressing up to disguise himself as a woman to leave the carcasses at the resting place of his long-time nemesis Fred McKinney.

By GRACE HOOPER
news@sundaysport.co.uk

McKinney's granddaughter, Shannon Nobles, first noticed the dead animals and the blood in May and after if happened again reported the matter to police.

Truck

In July, the family set up cameras around the grave. They captured a person in a grey truck "walking up to the headstone with a dead animal in hand, place it on the headstone, and walk back to the vehicle.

The alleged culprit, later identified as Stroud, wore a woman's wig, women's jacket and sunglasses.

Stroud and McKinney had neighbouring farms and "never got along with each other," Nobles told police.

Nobles added there was once a lawsuit between the two that she believes Stroud lost.

Stroud was linked to the truck by Nobles and police.

Nobles twice spotted Stroud leaving the cemetery in the vehicle, a police report stated.

On one occasion, after Stroud drove away, Nobles found a dead possum and eight live possum babies at her grandfather's grave.

After the incident, police went to Stroud's home and found a bath towel with apparent blood stains in the back seat of his truck.

Stroud has denied the accusations.

He's now been charged with several counts of defacing objects of public respect in Fayetteville, Arkansas.

JUSTIN DUNN'S ROOM 101

WHAT'S ANNOYING HIM THIS WEEK?

SALUTE YOU?... I don't think so, Boris

What have we done to deserve this lot?

WHAT a great big sack of shit the government is right now.

Look at who we've got...

A health secretary in Matt Hancock who gives you all the confidence of a man announcing he's given himself the clap.

An education secretary in Gavin Williamson who sounds like he's never actually been to school.

A home secretary in Priti Patel who faintly resembles a very hungry shark.

A chancellor who, despite his relative successes, is about to be found out when the brown envelopes arrive.

And a prime minister who is finally realising that there is much more to the job than a throwaway line and a grinning thumbs up to the cameras.

Decline

When Marks & Sparks announce they're cutting 7,000 jobs, as they did on Tuesday, then – as the kids say – "shit got real".

M&S has, for as long as my 50 years, been a bellwether of stability.

Where underpants could still be bought – even if it was the last place you'd actually shop – then all was well with the world.

When my mum's local M&S shut, over 30 years ago, it is not overstating to say it was the beginning of the end for our home town.

Now, obviously, they closed because they weren't getting the business any more.

But once a firm so entrenched in High Street parlance runs up the white flag, you might as well do so, too.

Shopping streets have been in decline for years.

Amazon and the rest have slipped nicely into our pockets and onto our laps, making even the laziest shopper even lazier.

Everyone could see that something needed to change.

The problem was no one really knew how, or what, that change should be.

Unless there was an app for it.

And then along came yet another sodding election last December.

Most decided to put their money on The Joker and not The Joke.

I'm still in little doubt that we ended up with an ever-so slightly better PM than we would have had in the moron who Mavis supposedly emailed every Wednesday morning.

And just think who else we'd be screaming at instead – the ludicrous figures of Rebecca Long-Bailey, Richard Burgon, Dawn Butler, David Lammy, all spring to mind.

So, too, on that little bench in the corner reserved for the Lib Dems – crazy Layla, Potato Head Ed, erm, the other one, or two...

But if we truly do get the politicians we deserve, then what have we done in a previous life to end up with Boris And His Chuckling Chums thinking that everything's a rum-do, really, and all we need to do is have faith in his jolly hockey sticks?

Problem

The coronavirus pandemic could not have been predicted by anyone – but it has been haplessly helped along with a balls-cupping hand by the government.

The last nine months has felt like nine years, but I can't remember the last time they made a decision I felt absolutely confident about.

And that's not just their problem, but ours.

Because I doubt you can remember a thing to like about them, either.

Kim pet dog cull 'to feed the masses'

TUBBY tyrant Kim Jong-un has ordered that all pet dogs be confiscated in North Korea's capital, saying the pooches represent Western "decadence'.

But dog owners fear Fido is really headed for the dinner table.

Kim (*above*), 36, issued the directive to round up the pets, claiming they were part of a "bourgeois ideology"

"Ordinary people raise pigs and livestock on their porches, but high-ranking officials and the wealthy own pet dogs, which stoked resentment among the lower classes," a source said.

"Authorities have identified households with pet dogs and are confiscating them."

But while the oppressive regime says the move is to clamp down on capitalist extravagance in Pyongyang, dog owners fear the directive has only come about to feed the masses during the current food shortage.

They are "cursing Kim Jong-un behind his back, but their hands are tied," the source lamented.

Hubby tries to drown his wife in dinner row

A RAGING hubby threw his wife into a river during a row over what to have for dinner.

Douglas Green, 61, is accused of carrying out the attack at a riverside retreat.

Green's wife told police the two were arguing over dinner arrangements when her husband "reportedly became angry and threatened to drown her in the river".

Green then dragged his wife to the water and "forced her in."

He is said to have threatened witnesses who attempted to aid his wife.

Police said the victim had bruises on both arms.

Green was charged with aggravated kidnapping in the course of committing unlawful detention and assault at the Provo River Resort in Utah.

TO MARRY YOUR OWN DAUGHTER ...THAT'S LOW-DOWN!

PLOT TO KILL: McClure's 'two to three days of hell'

By COLIN HURST news@sundaysport.co.uk

A DAD who tortured, killed and dismembered his biker daughter's boyfriend before having sex with her and MARRYING her has been jailed for life.

Larry McClure, 55, was sentenced to life without parole for the February 2019 murder of Thomas McGuire, 38, in Skygusty, Virginia.

McClure obeyed daughter Amanda McClure's request to kill McGuire, then married her.

His other daughter, Anna Choudhary, 32, still faces murder charges over claims she helped kill McGuire.

McGuire's mother, Karen Smith, raged at Larry McClure as he was sentenced: "You and your two kids are going straight to hell!

"To marry your own daughter – that's low-down. In my book, all three of you need to die!

"You don't deserve to be on this earth breathing. I'm gonna live to see you or one of your kids die before I go… who gave y'all the right to play God?"

Injected

Larry McClure had been estranged from both his daughters but drove to Indiana to pick up Amanda, 31, and McGuire for a reunion, before taking them back to West Virginia where Anna was waiting.

During a drug-addled get-together, Amanda told her dad she wanted to kill her boyfriend – because he'd had a secret relationship with her sister Anna and fathered a child with her.

McGuire was struck on the head with a bottle of wine – then tied up, injected with crystal meth and strangled by Anna Choudary while Larry McClure held him down, it was claimed.

Larry McClure told the court: "It was two to three days of hell. Later that morning we buried him in a two-foot grave behind the house."

Larry and Amanda McClure later travelled to Tazewell, Virginia, to marry.

Amanda McClure admitted second-degree murder earlier this year and will be sentenced at a later date, while her sister Anna is set to face trial later this year.

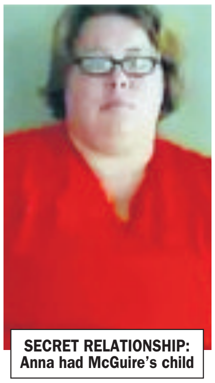
VICTIM: McGuire was tied up and strangled



SECRET RELATIONSHIP: Anna had McGuire's child

THE WORLD FAMOUS AGONY Page

Dear Ava,

I RECENTLY went on a stag weekend. There were 20 of us and we all pulled a bird on the first night.

My girl was 24 and after we'd been on the booze we staggered back to our hotel, where she smuggled me up to her room.

She stripped to her panties. I groped and sucked her tits, which were an F-cup.

Then she went down on me and gave me the best blowjob I'd ever had before spreading her legs to show me her wet lips.

I was down there like a rat down a hole. Then I turned her over and whacked it into her doggy-style.

After half-an-hour we both screamed as we came and collapsed in exhaustion.

But since I got back home, I've been getting lots of texts from her saying she wants to move in with me.

But I live with my mum. What should I do?

JG, Lancs

Ava says…

TELL her it was all a bit of fun and nothing more.

Dear Ava,

I TOLD my husband I had to have a walk-in shower room and the work would cost a couple of grand.

He was dead against it, but after a few sexual favours – blowjobs and anal – he finally agreed.

We had it installed and, apart from being well scrubbed all the time, it's transformed our sex life.

We've been shagging like randy teenagers. We christened the shower as soon as the tiles were set and now have rampant sex under the powerful, pulsing jets of water every day.

I particularly love it when I perform a handstand and my hubby goes down on me.

But I have become addicted to showering and shower gel is costing me a fortune.

Any ideas on how to keep the cost down?

LB, Humberside

Ava says…

SUD it! If sex is that good, it must be worth it.

Here comes the bride... over and over again!

Dear Ava,

MY mate and I went to a wedding last week – and just two nights earlier, the pair of us had been shagging the bride silly.

We met her on her hen do and she was having a wild time with a group of other girls who were all flashing their tits.

We ended up going back to her house and it wasn't long before the bride-to-be stripped off and was stroking her nipples.

Then she ripped off my clothes and began to rub my rock-hard cock.

My pal slipped in behind her and gave it to her doggy-style on the carpet while she gave me a fantastic blowjob until I was desperate to shoot my load.

Then it was my turn to f**k her hard and fast while she gorged herself on my mate's dick.

Talk about here comes the bride! I've never seen anyone in such a f**k frenzy and she had orgasm after orgasm.

I hope for his sake that her hubby has got plenty of stamina.

What do you think?

FC, Essex

Ava says…

He's probably a stretcher case by now.

Subject:

I'm paid to get laid by sex-mad MILFs

Dear Ava,

I WORK away a lot in my sales job and spend a lot of my business time operating in the North East.

I often stay at a small hotel run by a divorcee in her early 50s, who is quite a looker. I'm 32 and single.

Because I'm a good customer, I get one of her best rooms with a flatscreen telly and free wi-fi.

And if I'm late back in an evening, she'll bring coffee and sandwiches to my room.

One night I'd put a bit of porn on the laptop, stripped off and had a big wank – but I fell asleep soon afterwards.

Bondage

When I woke up, there on the small table in my room was a tray with some fairly fresh coffee and sandwiches.

The landlady had obviously been in and seen me fully naked, clutching my cock!

I was so embarrassed about being caught, but she didn't seem to mind.

In fact, she became even more friendly and started wearing shorter skirts.

At the bar a couple of nights later I asked what she wanted to drink and she replied with a wink: "Oh a large one, big boy."

After a few more drinks she asked me why I watched porn, when I could get the real thing.

Then she stuffed her hand down my trousers to fondle my knob.

Before long I was shagging her in the quiet back room.

When we'd done, we had a few more drinks and the humping carried on all night – anal, tit wanks, even a bit of light bondage. This busty bird was up for everything.

For a lady in her 50s, she had a hell of a lot of energy.

But she had another surprise for me. Over the next few weeks she introduced me to her similarly-aged female friends, who she explained were rampant for a bit of nookie.

They all offered me hard cash for sex. At first I thought they were all joking but, no, they'd give me £50 for a shag.

To keep her happy I'm screwing her and half-a-dozen of her wrinkly pals every time I'm at the hotel and I'm there as often as I can.

I'm making so much money that I'm thinking of jacking my normal sales job in and pissing off to a sunny country and setting up the same kind of service over there.

But the problem is I think I'm falling in love with the landlady and I don't know whether I should keep shagging women for cash.

What do you reckon?

DR, east Midlands

Ava says…

SUN, sea and sex sounds great. Why not ask the landlady to go with you.

Naked flash has given my neighbours ideas!

Dear Ava,

I'M a single woman in my early thirties and I have a bit of a problem with my neighbours.

My pet dog's barking has apparently been upsetting the locals.

A guy who lives across the road came to complain one day and I'd just got out of the shower when I answered the door.

I don't know how, but my dressing gown blew open and he could see my neatly-trimmed quim and my surgically enhanced breasts.

I think it distracted him, because he soon forgot his rant and he feasted his eyes on me instead.

"Is there something you want?" I asked as he stood there open-mouthed and drooling.

Flirty

Then I heard his wife calling him to come back from over the road and off he went.

At the time I thought that I handled the situation quite well. But the next day, when the neighbour had driven off to work early, his missus came over and started hammering on the door.

At first, I thought she'd come to tell me to keep covered up – and stop giving her hubby any ideas.

But when I answered the door to her, she was all smiley and flirty with me.

I didn't flash my boobs and bush this time – and she went away a little disappointed, I think.

Does she fancy me, too?

JV, Dorset

Ava says…

MAYBE they fancy a threesome with you.

Dear Ava,

I LOVE to have sex with my boyfriend and two of his pals.

I'm a busty 20-year-old blonde, while my fella and his mates are in their early 30s.

I love having a cock in my mouth, fanny and up the bum at the same time.

For our sessions I like to dress up in stockings and suspenders and lapdance for them.

I suck them off and then they take control and fk me ragged!**

Just last week my fella and one of his mates took me up the arse at the same time and it made me climax long and hard!

Another time, my fella pounded into me while I gave one of his mates a blowjob and wanked off the other one.

Then they all spunked their hot stuff over my tits before they swapped places and did it all over again.

I love all this red-hot sex action and I'm happy to carry on this way for some time.

But the problem is my bloke says he wants us to get married and that his cock will then be the only one I'll be getting.

This is so sad. What can I do?

KC, Cheshire

Ava says…

TELL him you're too young to get married and see what happens.

DO YOU HAVE A SEX PROBLEM?

M

Y SEX FANTASY

...WITH BRANDY BREWER, 32 32E-24-34 FROM CAMDEN, N LONDON

MIDWEEK Sport ALWAYS HOME OF TOPLESS BABES

‘I just can’t decide between them, so I have sex with both!’

‘ **MY wildest fantasy is to have sex with two guys at once!**

When I’m in bed playing with myself, I imagine I’m in a club and two guys, who are friends, are both flirting with me and grinding against me on the dance floor.

I fancy them both and I can’t decide which one to pick so I think sod it, why not take them both home!

We get a taxi back and I’m switching between snogging each boy. The driver struggles to keep his eyes on the road.

Sucking

Back at my flat there’s no small talk. They get their cocks out and I get on my knees and start sucking them, feeling a thrill as they get harder and harder.

I order them onto the sofa and begin riding one of them, and the other stands while I take his dick down my throat.

We switch positions and I’m on all fours, it feels really dirty as one bloke pounds me from behind and the other face-fucks me.

It gets fast and furious and we all cum at the same time, and collapse satisfied in a sweaty heap.

Then one of them gets up and makes us a well-earned snack of cheese on toast, yum! ’

BUSTY blonde bombshell Anastasia De Vine is a serious ANAL LOVER.

She says she loves some backdoor action – and not just on special occasions!

And Anastasia, 33, from Croydon, south London, says she never fails to have an orgasm from getting bummed.

The full-time glamour model – who has a 36D rack – says she has all kinds of toys for bum fun, too.

Naughty

She confessed: “I’m a big fan of anal. It feels a bit naughty and filthy, doesn’t it?

“I’ve had the most intense orgasms from it – and sometimes they are more powerful than with regular sex. I read that there are really rich nerve endings there.

“I also like a having finger up there when I’m being pounded doggy-style – I just go wild with that!

“I’ve also got a few anal sex toys, such as dildos and beads that vibrate… they are really amazing!”

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another **£5 OFF** the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the Sport but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

OFFSKI: Klopp is leaving in 2024

I'LL WALK ON IN FOUR YEARS SAYS KOP BOSS

By MIKE FRANCIS

LIVERPOOL have four more years of Jurgen Klopp — but then the German expects to RETIRE.

He'll be 57 then and confirms that he'll walk away from Anfield and have at least 12 months on the sidelines. And he could well decide NEVER to come back into the game.

Klopp said: "I'll take a year off and ask myself if I miss football. If I say no, then that will be the end of coach Jurgen Klopp.

"If one day I am no longer a coach, there is one thing I will not miss and that's the brutal tension immediately before the game."

In the meantime, Klopp is happy to boost his squad gradually and is pleased to have brought in Kostas Tsmikas from Olympiakos to provide competition at left-back for Andrew Robertson.

NEW DEAL: Williams

The Anfield boss said: "Kostas is a signing which just shows what we are looking for, what we need.

"I think the left-back position was now not a position where the people out there would have thought, 'We need another player' and stuff like this.

"It worked out pretty well, Millie played there from time to time but we cannot take any risk or we should take as less risk as possible.

"Our full-backs in the way we play are so important with the skills they have, the speed they have, the crosses they bring in and stuff like this.

"When I saw Kostas the first time, I thought, 'Is it possible to get somebody like him?'

"Meanwhile, he's not the most experienced player because he started a little bit later with a proper career.

"But in the last two or three years, he's really right on track and then has started building his career obviously.

"Then we had a conversation and he was very, very positive about this, knowing that we have already a world-class full-back – but that's exactly what you try to have."

On the other side, teenage right-back Neco Williams has signed a new five-year deal.

Klopp said: I think Neco is – how young players are – they are kind of 'projects'. There is a lot of work to do, but there is already a lot of skills and potential there."

MANCHESTER UNITED GOALKEEPER

De Gea: We'll win nothing with kids

By JOHN ANTHONY

DAVID De Gea believes Manchester United need more experience to bring the trophies back.

Ole Gunnar Solskjaer's side crashed out of the Europa League against Sevilla.

It was the third semi-final United have lost this season — and De Gea believes the team needs more leadership on the field.

The keeper is happy with the way things have gone since football came out of lockdown.

But he thinks there is a fair way yet to go. The Spaniard admitted: "I think we improved already this season.

"We were 14 points behind the third position in the Premier League early this year.

"We finished third at the end. We play very good, I think in many games.

"In the Europa League we deserve to be in the final, if we are honest."

And he thinks there needs to be more composure in front of goal to reach the next level.

He is right in thinking that the Reds are relying on the relatively young Marcus Rashford and teenager Mason Greenwood alongside Anthony Martial in attack.

De Gea added: "Maybe we need a bit of experience, more experience on the team, but we have to score the chances.

"Let's keep improving, let's keep fighting for this club and let's try to win trophies next season.

"I think we are playing very good football, attacking football.

"Well, we are all enjoying playing attacking football so I think so, yeah."

The keeper himself has come under fire for some ropey performances in key matches.

From being widely thought as one of the top goalies in the world, De Gea is not mentioned in the same breath as the likes of Ederson, Alisson Becker and Jan Oblak these days.

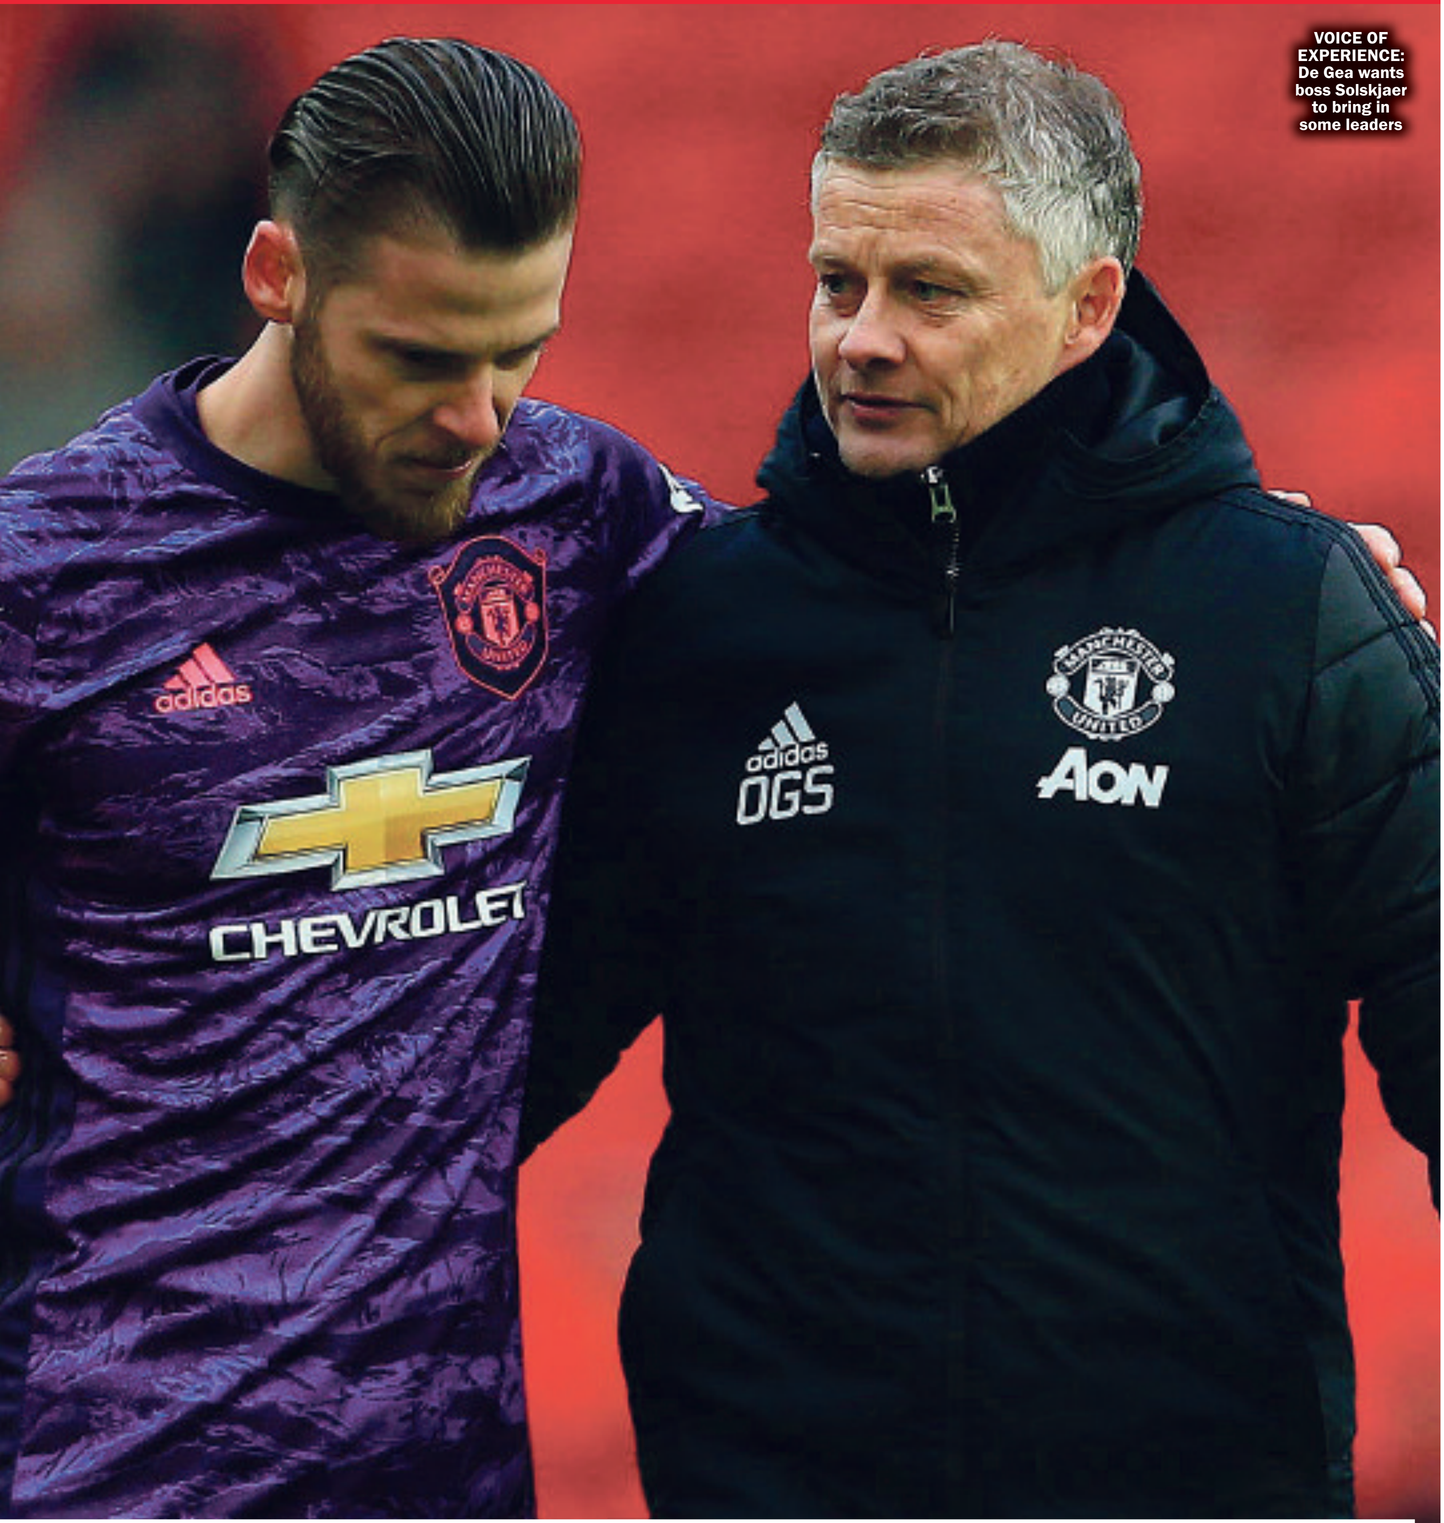
Indeed, many pundits think United should give their other stopper Dean Henderson a chance after his form on loan for Sheffield United put him in the England picture.

But De Gea is holding firm after being picked ahead of Sergio Romero in the Europa League semi.

He said: "I trust in myself. I showed my qualities all the years, so I just keep available for the manager.

"I'm always ready to play

CALLS FOR MORE EXPERIENCE AT THE CLUB



VOICE OF EXPERIENCE: De Gea wants boss Solskjaer to bring in some leaders

and try to help the team as always, as I always did.

"It's the same as with every match — the manager has in his mind the team.

"I always want to play. I knew it was a possibility that I was going to play against Sevilla. I trained the best I can in order to help the team."

Henderson's loan spell at Bramall Lane is now over and he won't want to sit in the Old Trafford stands while the England No1 shirt is up for grabs.

The 23-year-old has been attracting admiring glances from the likes of Chelsea who would be willing to offer him first-team football.

Solskjaer knows it won't be easy to keep him happy along with Romero who has got used to playing in cup matches.

The Norwegian said: "I think I must be the most privileged manager in the world with the goalkeeping department, with Sergio, David and we've got Dean Henderson coming back; three top, top keepers.

"This season has shown how important Sergio has been for us and, for me, David always performing. It's a nice problem to have.

"Competition for places is important we are looking to have competition for places. We have Dean, Sergio, David in the ranks.

"It will be difficult to keep three of them at the club."

Sancho willing to force move

JADON Sancho has made it clear to Borussia Dortmund that he wants to join Manchester United, according to reports in Germany.

The forward is in the middle of a tug of war between the clubs and the player has his heart set on a move.

But, say insiders, he will only try to force Dortmund's hand if United offer something close to the £110m they are demanding for the youngster.

Sancho has been playing a full part in Dortmund's pre-season preparations and came on as a substitute in their weekend friendly against Austria Vienna. Dortmund say they want to keep him for at least another season but he's available if United put enough cash on the table.

Old Trafford legend Paul Scholes believes the club should get the deal over the line as soon as possible.

He said: "We know all this Sancho stuff is going on, they need to spend more money.

"If they want to win trophies, they've got to start spending the money.

"We talk about hundreds of millions these days to get these players, but these are the players that win you trophies, these are the ones that win you medals."

WANTED: Ramsdale

Villa Aaron the case to hijack Blades No1

ASTON Villa are trying to steal Aaron Ramsdale from under the nose of Sheffield United.

The Villans need a new keeper after Pepe Reina's loan spell came to an end.

And they see the Bournemouth stopper as the ideal man.

Sheffield United have offered around £18m after their No1 Dean Henderson went back to parent club Manchester United.

And it looked as though the deal was done with the Cherries knowing they can't keep the 22-year-old after dropping down into the Championship.

The Blades believe they have the deal over the line and will not welcome the bid by Aston Villa.

Despite that, Ramsdale is expected to make Bramall Lane for the second time after he moved to the Cherries in 2017 for £800,000.

Former Bournemouth boss Eddie Howe believes the youngster should stay in the Premier League.

He said: "He accepted the challenge brilliantly for a young goalkeeper which is probably the hardest position to blood young players in.

"He's taken that responsibility and never looked back and he was magnificent for us."

Villa will hope Tom Heaton comes back soon from the cruciate ligament injury that has kept him out since Christmas.

Vinny hangs up his boots

VINCENT Kompany has hung up his boots.

The former Man City defender was player-manager at Anderlecht last season after leaving the Etihad.

Now he's retired from playing at the age of 34 — but will stay on as boss of the Belgians.

He said: "I want to fully commit to my role as a coach and need 100 per cent of my time and focus for it.

"That's why I'm quitting as a football player with Anderlecht."

Kompany clocked up 360 appearances for City over 11 years.

Many pundits think losing him was a massive blow to Pep Guardiola and he's never been replaced at the heart of his defence.

Koeman wants Wijnaldum at Barca

RONALD Koeman wants to sign Gini Wijnaldum if he becomes Barcelona boss.

By JOHN ANTHONY

The Dutchman looks set to take over at the Nou Camp after Quique Setien was fired.

After Pep Guardiola confirmed that he won't be returning to the Catalans, they turned to another playing legend in Koeman.

He is currently in charge of the Dutch national squad where he has relied on Wijnaldum, making him one of his key players.

Koeman has identified a lack of ball-winners and hard work in midfield as a massive problem with Barca.

And with Wijnaldum coming towards the end of his contract with Liverpool, he could be available on the cheap. He would love to take another Anfield Dutchman — Virgil Van Dijk — but there's no chance the Holland skipper will leave in this window whatever the money offered.

It's a different story with Wijnaldum though and Liverpool have Thiago Alcantara ready to sign from Bayern Munich should he decide to follow his international boss to Spain.
